LITTLE ROCK (AP)—Registration of white seniors began today at Little Rock's newly established private, segregated high school.

During the morning, approximately 300 students signed up for courses in English, mathematics, history, civics, government and science.

Simultaneously, another 300 white students — of all high school grade levels — registered for an interim Baptist High School, the church school, which plans to begin classes next week, is being operated as a division of Ouachita Baptist College at Arkadelphia, Ark.

Dr. J. W. Cady, principal, said the curriculum would depend on the courses requested. But, he told the students, "there is no guarantee that we can offer each course requested; that will depend on the teachers we can recruit."

Twenty-seven students boarded a special bus for a 42-mile trip to Hazen, Ark., where — at the town's invitation — they enrolled.

4-H Poultry Show Termed a Success

With a \$2.38 per Hy-Line pullet average the 72 head offered for sale the third annual 4-H Club Poultry Show and Sale Saturday was declared successful today by County Agent Oliver L. Adams who supervised the production activity sponsored by the Sears Foundation.

The Fullerton Company of Shreveport, Johnny Brannan local representative, paid \$3.20 each for six blue ribbon Hy-Line pullets exhibited by Cecil and Bryan England of Shover Springs to top the sale. Corn Belt Hatcheries of Hope paid \$3.00 each for the other six pullets of the England Brothers.

John Rogers of Palmos secured six blue ribbon Hy-Line pullets offered by Marshall and Charles McCorkle of Victory Community 4-H Club at \$2.75 each. Corn Belt Hatcheries, purchased three other six McCorkle pullets at \$2.60 each.

O. A. McKnight of Hope purchased the 12 blue ribbon pullets of James Cummings of Victory 4-H at \$2.30 each and the Carroll McKee 12 pullets at \$2.20.

H. W. McClellan of Palmos paid \$2.00 each for the Michael Samuel 12 pullets, J. R. Anderson of Hope got the 12 pullets of Peggy Hampton for a total of \$24.00.

The six entries of 12 Hy-Line pullets were judged by Troy Hendrix of Corn Belt Hatcheries of Hope. Mr. Hendrix placed blue ribbons on the entries of James Cummings, Marshall and Charles McCorkle and Cecil and Bryan England; red ribbons on entries of Michael Samuel and Peggy Hampton; and a white ribbon on the Carroll McKee entry.

Attractive special ribbons and \$48.00 cash premium was presented to the 4-H Club exhibitors from the Sears Foundation by Sears Roebuck & Co. Store Manager, Mrs. Audrey Taylor.

The Hy-Line pullets were auctioned to the highest bidder by Wade Benefield, Associate County Agent. On May 19 each of the 4-H Club youth participating in the show and sale were presented with 100 day old Hy-Line pullets. The 12 pullets were returned by each youth to sell to provide funds to purchase similar pullets for other youths in 1959. This feature makes the Sears Foundation 4-H Poultry chain self-perpetuating.

President Is Taking Vote Drive to West

By THE ASSOCIATED PRESS

President Eisenhower carries his election efforts toward California today while other campaigners argued about his foreign policy and its place in the political debate.

A stepped-up weekend tempo also found the Democratic National Chairman Paul M. Butler virtually inviting those Democrats who disagree sharply with the party's civil rights program to get out of the Democratic party. He said they could "take political asylum" in the Republican party or a third party.

With the congressional election campaign moving into its final two weeks, Eisenhower speaks tonight in Los Angeles and Tuesday night in San Francisco in what the White House said would be a hard-hitting explanation of Republican accomplishments.

Former President Harry S. Truman and Vice President Nixon resumed their campaign activities Tuesday in the West after a week-end of rest for each.

Adlai Stevenson, twice the Democratic presidential nominee, called U.S. policy toward the Nationalist Chinese islands of Quemoy and Matsu "this miserable mess."

Speaking in Milwaukee Saturday night, he said, "We have had almost four years of grace over the last crisis of Quemoy to extricate ourselves. Instead, we have allowed Chiang Kai-shek to bring us closer to war, to imperil the prestige and the peace of the United States over little islands which in the long run are untenable."

Both Eisenhower and Secretary of State Dulles had said that they thought foreign policy should not be a subject of partisan debate, though each left some loopholes and later approved Nixon's action in attacking Democratic critics.

Truman said in Washington Friday he is glad the Eisenhower administration's foreign policy is not a campaign issue.

Butler was asked about the drive.

Says Butler Playing Into GOP Hands

LITTLE ROCK (AP) — Democratic National Chairman Paul Butler was accused by an Arkansas party official today of "deliberately playing into the hands of the Republicans by trying to divide the Democratic Party in the South."

Claude Carpenter Jr., head of the "Dollars for Democrats" campaign in Arkansas, and a close associate of Gov. Orval E. Faubus, said in their recent debates, Butler had allowed Republican National Chairman Meade A. Johnson to "needle him into making statements against Southern Democrats who have remained loyal to their party through thick and thin."

Carpenter noted that Butler has been critical of Gov. Faubus and has declared "in effect that the South can either accept the proposed strong civil rights program of the party or get out."

He also predicted that Butler's days as head of the party are numbered.

Japs Report 43 Fishermen Missing

TOKYO (AP) — The Japanese coast guard said 43 Japanese fishermen are missing and believed drowned in the heavy seas off northern Japan.

A spokesman said the 30-ton Mitsu Maru had sunk 200 miles northeast of Tokyo Saturday with 47 crew members aboard. Ten were rescued by fishing boats and a coast guard patrol ship, the spokesman said.

The 40-ton Komei Maru with 20 aboard has not been heard from since last Friday. The spokesman said debris of the vessel was discovered by fishing ships Sunday.

Five Negroes Show Up for Services

LITTLE ROCK (AP)—Five Negroes showed up yesterday at the white Pulaski Heights Presbyterian Church here but did not attend the service.

A church spokesman quoted the five as saying they had been invited to the service without specifying by whom the invitation was extended. The spokesman said they left quietly and without protest when told there had been no such invitation.

It was the fourth straight Sunday for similar incidents at various Little Rock white churches.

Albert Hudson, a Negro, who twice previously had led a small group of Negroes in attempts to attend Second Baptist Church, was not present yesterday. He was reported ill.

The National Association for the Advancement of Colored People, which has been leading a fight for school integration here, has said it was not behind the church incidents.

Mrs. L. C. Bates, the state NAACP president, said she tried to dissuade Hudson from his attempts to attend white churches. Hudson has not said what inspired his efforts.

Parents Asked to Talk With the Teachers

James H. Jones, Superintendent of Schools announced today that all the Hope and Fulton Elementary white and Negro schools will be dismissed Friday, Oct. 24 for the purpose of a Parent-Teacher conference.

"We feel that these conferences will be of value to the parent, the teacher and the child. We sincerely hope that the parents will take advantage of this opportunity to discuss with the teacher your child's progress," Mr. Jones stated.

A notice will be sent to each parent by your child stating the approximate time for the conference. If the assigned time is not convenient, please state the time that will be most convenient to you and return the notice to the school by your child.

Jr. and Sr. High Schools will operate on regular schedule.

China Suddenly Ends Cease-fire as Dulles Heads to Formosa Talk

New Barrage Catches Ships Off Quemoy

By GENE KRAMER

TAIPEI (AP) — The Chinese Reds broke their cease-fire in Formosa Strait today, pouring shells and mortar fire on the islands of Quemoy for nearly three hours and then turning their guns on Taitan Islet off Amoy.

On his way here for important talks, Secretary of State Dulles said it was a tragedy the Communists had again displayed their "warlike disposition." He made the statement during a refueling stop for his jet tanker at Fairbanks, Alaska.

The Nationalists on Quemoy, amply supplied during the nearly 15-day cease-fire, turned the Red fire. The Communist artillery caught four Nationalist supply ships in the Quemoy beach area — three LSTs and one Navy transport. There was no word on whether any were hit.

The Red guns blazed at Quemoy for 2 hours and 45 minutes, then halted. Eighty minutes later, they opened up on Taitan, a 98-acre islet 2½ miles south of Amoy.

The Chinese Communists said they were suspending their cease-fire — scheduled to end next Sunday — because U.S. warships had conveyed Nationalist supply vessels to Quemoy. U.S. officials denied it.

A Nationalist spokesman said no American ships were in the beach area. The Communists in ending the cease-fire had charged "U.S. warships had broken the truce by escorting Nationalist supplies to Quemoy Sunday night."

The Americans flatly denied this, saying they had only "conducted a small-boat operation . . . lifting Chinese Nationalist supply craft through international waters," at least 15 miles off Quemoy.

The Nationalist Defense Ministry said the Communists had resumed shelling at 4 p.m., 50 minutes after Peiping Radio had broadcast orders canceling the cease-fire. The Communists announced a week ago that their self-imposed hold-fire had been extended to midnight next Sunday.

The Nationalists said they had waited one hour after the Communists began shooting, then opened fire.

A Nationalist spokesman said the Red bombardment was not so heavy as on Aug. 23, when the offshore war began with an intense two-hour bombardment. During that initial attack 41,000 Communist rounds were fired, killing 11 civilians and wounding 18 on Quemoy and causing more than 200 military casualties.

The abrupt development raised grave new problems for U.S. Secretary of State Dulles, flying by jet tanker over the North Polar route to Formosa. His mission was to clear up misunderstandings with Nationalist President Chiang Kai-shek and lay the base for a more substantial cease-fire in Formosa Strait.

Ted Chinese Defense Minister Peng Teh-huai gave his reason for resuming the bombardment: a charge that U.S. warships had encroached on Chinese territory waters Sunday night in escorting Nationalist ships to Quemoy.

"Shelling must therefore be resumed as a measure of punishment," the Communist order said. The U.S. Taiwan (Formosa) Defense Command declared the Continued on Page Three

British Pulling Out of Jordan

AMMAN, Jordan (AP)—British forces started to pull out of Jordan today. Airborne paratroops first landed in Amman 96 days ago to protect this kingdom's independence.

The first unit left the port of Aslabin, in Jordan's extreme south on board the tank landing ship Maelco bound for Cyprus.

The main body of troops will start leaving for Cyprus next Saturday, a spokesman said.

Tank Driver May Be Back With Russia

LONDON (AP) — A young Red army tank driver who fled to the West is believed to have been secretly flown back to the Soviet Union from Britain.

The Soviet Embassy here assured the Foreign Office 22-year-old Sgt. Anatoli Ponomarenko went back voluntarily.

But Russian emigre sources are convinced he was kidnapped by Red agents under the noses of Scotland Yard men detailed to guard him. They believe he now has been executed.

Ponomarenko had 70 days of freedom in Britain after quitting his unit in East Germany and escaping to West Berlin last Dec. 31. After his escape, his commanding officer accused him of murdering a comrade and demanded his return.

British authorities replied that the soldier's pistol had not been fired since it was made. He was granted political asylum.

Shortly after coming to London, he helped write a pamphlet calling on other Soviet soldiers to desert. He spoke out on television and addressed an anti-Communist meeting.

Early in March he disappeared from his hideout in northwest London, leaving behind all his personal belongings.

Officials of the National Alliance of Russian Solidarists, an emigre movement dedicated to overthrowing Russia's Communist regime, told Scotland Yard that just before Ponomarenko vanished, he became friendly with a middle-aged Russian woman.

The sergeant never was seen again. The Soviet Embassy told the British Foreign Office he visited the embassy and asked to return to the Soviet Union. Trudy in the emigre organization said the man is preposterous, that he "was clearly dedicated to our mission."

Completely Catches U. S. by Surprise

DENVER (AP) — President Eisenhower today instructed Secretary of State Dulles to continue on his way to Formosa despite ending of the Chinese Communist cease fire.

The announcement by Peiping radio turned upside down the situation which had caused Secretary of State Dulles to undertake a transpolar flight from Rome to Taipei this weekend to try to reach a better understanding with President Chiang Kai-shek on how to meet the Communist political offensive against Formosa.

State Department press officer Lincoln White said when told of the Peiping statement that the department would have no immediate comment.

Officials had not definitely figured out in two weeks what caused the Reds to call off their Quemyen shelling Oct. 23. The sudden over "cancellation" of the cease-fire seemed likely to be even greater.

Dulles decided last Tuesday to accept an invitation from President Chiang to fly to the capital of Nationalist China, because, associates said, he thought it vital to reach a better understanding with Chiang so that the Reds could not succeed in driving a wedge between Formosa and the United States.

The desire to break the Chinese Nationalists away from the United States was believed by Dulles to be the major objective of the Reds in carrying out their cease-fire operation.

In first announcing the cease-fire, the Reds proposed direct links with the Formosa government.

The United States followed up by meeting Red China's demand for a halt in conveying but the Chinese Nationalists rejected the bid for negotiations on the grounds the cease-fire itself was some kind of trick and that no agreement with the Communists could be trusted anyway.

College Fund Drive Reaches \$60,651

BATESVILLE, Ark. (AP)—The \$100,000 "Progress Fund" drive for Arkansas College here has reached \$60,651, drive chairman G. E. Wilson of El Dorado announced today.

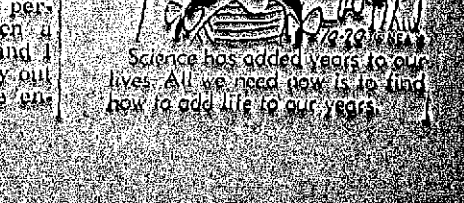

Wilson said the total was reached in the "second intensive week" of the drive to supplement the budget of the Presbyterian-supported school.

Of the money raised, \$10,000 will be used for financial aid to students; \$15,000 for library furnishings and improvements; \$20,000 for laboratory expansion; \$5,000 for women's dormitory furnishings; \$12,500 for campus improvements; \$5,000 for symposium moderation; and \$2,650 to bring lecturers in the campus.

Negro Attorney Slams Churches

BALTIMORE (AP)—An Arkansas Negro attorney took churches to task yesterday for operating temporary high schools while public schools are closed in Little Rock.

Wiley A. Branton of Pine Bluff, Ark., speaking before the Baltimore chapter of the National Assn. for the Advancement of Colored People accused the churches of the Little Rock integration crisis.

"These churches are making it possible for segregationists to find a refuge in their battle against school integration," Branton said.

The 35-year-old attorney said segregationists are becoming desperate. He cited the recent action of Arkansas Atty. Gen. Bruce Bennett who suggested legal reprisals against any lawyer who files an integration suit.

Branton also accused Bennett of authorizing police to arrest persons soliciting membership for the NAACP.

The president, Mrs. Homer Ward. Coffee and cake was served to the 10 members and a guest.

By MARVIN L. ARROWSMITH
DENVER (AP)—President Eisenhower flies to Los Angeles today for a campaign speech billed as a 5,300 mile cross-country tour.

Resuming a 5,300-mile cross-country tour, after a quiet week end, the President was pictured as ready to shift gears and do some plugging during a two-day visit in California. The state is one of the nation's major political battlegrounds this year.

Eisenhower's half-hour speech tonight at the Shrine Auditorium in Los Angeles will be carried on television and radio over an 11-state Western network. Tuesday morning he will make two speeches in San Francisco before traveling on to Chicago.

If he does go to a scragging role in California, it will be the first time since he left Washington last Friday on a six-day vote-hunting tour. In Iowa his speech was only indirectly political, and in Kansas and Colorado he made no talk whatever.

The GOP candidates in those two states had to be satisfied with not much more than photographs with the President. In Colorado, there was even a hassle over those that let the state Republican organization misfire.

On Eisenhower's arrival in Denver Saturday for a visit with his ailing mother-in-law Mrs. John S. Doud, the first to greet him at the airport was Colorado's Democratic Gov. Stephen McNichols, his wife and their five photogenic children. The GOP candidate for governor, Palmer Burch, was almost lost in the shuffle some distance back in the receiving line.

By this move Dulles and Lloyd obviously sought to avoid being placed in a completely negative position on the issue of a foreign ministers meeting.

Russia proposed a meeting of foreign ministers in a note Oct. 1. There was immediate suspicion here that the Reds were trying to find an excuse to assure the failure of the scheduled Geneva negotiations and put the blame on the Western Powers.

The United States reminded the Soviet Union that President Eisenhower had offered last Aug. 22 to suspend U. S. nuclear weapons tests for a year, with subsequent one year extensions, if Russia also would refrain from testing and if progress were made toward setting up a control system to police the test ban.

GM Assembly Line Gets in Operation

DETROIT (AP)—A big step toward full production of 1959 model cars came today as General Motors assembly lines began rolling for the first time since Oct. 2.

At the same time Chrysler reported all its plants were back in operation as workers returned at the last strikebound plant in Detroit.

Strikes over local issues remain after national contract agreements at the big three have tied up new model output. Ford cleared up all its local grievances two weeks ago and has been producing cars.

Today is the deadline for United Auto Workers members to ratify terms of the new three-year national contracts. The UAW said approval is expected.

In Hazen High School. Hazen School Supt. A. H. McDonald said the number of students beginning classes today at Hazen was cut by the opening of the private school in Little Rock.

In another educational development, Little Rock School Supt. Virgil Blossom said that the closed high school's here would grant diplomas to seniors with complete requirements through correspondence courses offered by the University of Arkansas.

Guy Berry, head of the university's General Extension Service, said between 350-400 Little Rock students have applied for correspondence courses. He said about 20 applications are being received daily.

Whether or not the correspondence credits earned are accepted toward a diploma is determined by the individual high school, Berry said.

About 500 seniors are expected to enroll in Little Rock's private school, the cornerstone of a program to evade school integration.

For the past three days, volunteer workers have labored almost around the clock to ready a newly leased 32-classroom building. The structure, recently sold by the University of Arkansas to a private individual, who in turn leased it for use as the private school.

The building had stood empty for a year and a half. Actual classroom work will begin Tuesday, just 39 days after Gov. Orval E. Faubus invoked a new state law to shut down public high schools in the face of an immediate integration order from the U.S. Supreme Court.

The Little Rock Private School Corp. will finance the new school with funds from public subscription. The building, formerly occupied by a University of Arkansas graduate facility, was leased only Thursday. Desks, blackboards and other furniture were moved in over the weekend.

W. C. Brashears, school superintendent for the corporation, said classes will open later for 10th and 11th graders. An estimated 3,600 high school students, white and Negro, were left without schools after the Faubus closing order. An estimated 900 pupils, including 200 Negroes, since have transferred to schools outside the Little Rock district.

Rebuffs Red Bid for Early Conference

WASHINGTON (AP)—Secretary of State Dulles today rebuffed a Soviet bid for an early foreign ministers meeting on ending nuclear weapons tests. But he offered to attend a later East-West conference if that "seems necessary and desirable."

In notes delivered in Moscow, the U. S. and British governments called on the Soviet Union to begin diplomatic negotiations on the test issue Oct. 31, as previously agreed.

Dulles said he, Foreign Secretary Selwyn Lloyd and Russia's Andrei Gromyko should not attend the initial sessions.

"It is as the discussions at the diplomatic level proceed, the presence of foreign ministers seems necessary and desirable," the secretary of state would be prepared to attend," the note added.

By this move Dulles and Lloyd obviously sought to avoid being placed in a completely negative position on the issue of a foreign ministers meeting.

Russia proposed a meeting of foreign ministers in a note Oct. 1. There was immediate suspicion here that the Reds were trying to find an excuse to assure the failure of the scheduled Geneva negotiations and put the blame on the Western Powers.

The United States reminded the Soviet Union that President Eisenhower had offered last Aug. 22 to suspend U. S. nuclear weapons tests for a year, with subsequent one year extensions, if Russia also would refrain from testing and if progress were made toward setting up a control system to police the test ban.

1st Woman Civil Service Worker Dies

NEW YORK (AP)—Mrs. Helen J. Moses, 100, first woman to be appointed to a federal Civil Service position, died Sunday at her home.

Mrs. Moses was appointed Sept. 2, 1882, as a \$200-a-year clerkship in the Patent and Trademark Office of the Treasury Department. Her appointment was the second under the Civil Service Act. The first had gone to a man seven days before. She left the position in 1888 when she married.

The United States is the major supplier of cotton to the United Kingdom, having exported 588,000 bales in the period from last August to March.

Golden Wedding Anniversary

Rev. Mrs. Montgomery

The Rev. and Mrs. James D. Montgomery, of 609 S. Hervey St., will observe their Golden Wedding Anniversary on Tuesday, Oct. 21.

The couple, Hempstead County natives, are members of families that settled in southwest Arkansas more than a century ago. They were married in Hope in 1908.

Because Mr. Montgomery is recuperating at home from an illness, an anniversary gathering is being omitted.

Before entering the Methodist ministry, he was a Hope attorney from 1903 to 1927. He subsequently held pastorates in every district of the Little Rock Conference. The Montgomerys returned to Hope in June, 1957, upon his retirement after 30 years as a minister.

The future preacher was mayor of Hope in 1905-08; state senator from the old Hempstead Nevada district in the legislative sessions of 1919 and 1921, and a Hope city councilman in 1924-26.

Mr. Montgomery was born on a farm in the Blevis area and Mrs. Montgomery in Hope. His parents were James Morris and Virginia Bostic Montgomery. Mrs. Montgomery's parents were John Payton and Emma Black Hervey. She formerly was Janie Hervey.

The couple's son, James D. Jr., of Coronado, Calif., is a reporter for the San Diego Evening Tribune. He was a Hope Star reporter in the late 1920s.

The late Steve Carrigan Jr., Hope attorney, served as best man in the 1908 wedding. The maid of honor, Mrs. W. C. Edwards (Avis Reeves), of Little Rock, still resides there.

Diver Seek Bodies of U. S. Airmen

ARGENTIA, Nfld. (AP)—Seven U. S. Navy divers went down in Placentia Bay here today looking for the bodies of 10 men believed trapped in an American radar patrol plane.

One man was known to have been killed in Saturday's crash, 10 are missing and 18 were rescued. A wing of the big Navy Super Constellation was found Sunday but there was no sign of the fuselage. Officials have expressed the opinion that wind-whipped waves may have broken it up.

The plane plunged into 30 feet of water about 1,000 feet from a runway of the U. S. Naval Base here during an instrument landing. It was raining and foggy at the time but a navy officer said the field was well lighted.

Winds whipped the bay into a fury Sunday and halted search operations for six hours. Lt. John Koskey, the plane's copilot, said he surrendered the controls to the pilot seconds before the crash. Altitude then was 250 feet. The weather was bad. The pilot is among the missing.

It is estimated that West Virginia has coal resources sufficient to last 400 years at the present rate of production.

The Pile Lighthouse in Ireland was built by Alexander Mitchell 112 years ago. He was an engineer but blind at the time.

65 and Crew of Soviet Plane Killed

LONDON (AP)—The crash of a TU104 jet airliner, showpiece of Soviet aviation, took the lives of the 65 passengers and all crew members, Red China announced Sunday night.

Peiping radio said there were no survivors of the crash Friday night at Khatan, 400 miles east of Moscow, and that among the dead were 18 Chinese government officials.

It was the first crash to be announced for the jet airliner, the pride of the Soviet commercial air fleet.

The other 45 passengers were described as "foreign friends" and experts on their way home from Red China. They included one British, four East Germans and the son of the Cambodian ambassador to Peiping.

The number of crew members was not given, but the TU104 usually carries up to 10.

The Peiping broadcast gave the first details of the disaster. Moscow radio, in one of its rare announcements of air mishaps, said Saturday night that the plane went down on a regular Peiping-to-Moscow flight but did not disclose how many had been killed.

Aeroflot, the Soviet state airline, said in Moscow no further details would be disclosed until an investigation has cleared up the case.

Dynamite Stolen From Arkansas Mine

PORT SMITH, Ark. (AP)—A half case of dynamite and 100 caps, needed to touch off the explosives, were among items stolen yesterday from the Boyd Excelsior Mines near Greenwood, Deputy Sheriff Bill Gann reported today.

Gann said the thieves broke into each of seven smallframe buildings located. He quoted owner Dagen Boyd as saying the loss and damage to property amounted to more than \$2,000.

Boyd told the deputy that the burglars, for no apparent reason, caused heavy damage to a hatching machine valued at \$1,200.

In addition to the dynamite and caps, a typewriter, an adding machine, a quantity of shot shells and mining tools were taken. The coal mine is located about four miles west of Greenwood on state Highway 10.

Rice-Texas to Play Saturday; Arkansas Loses

Rice and Texas settle their football feud for another year Saturday night in a game that could decide the undisputed lead in the Southwest Conference race.

If Rice, the defending champion, knocks over Texas it will reach the half-way mark with a 3-0 record and be technically in front of the field.

Texas Christian, tied with Rice for the top at this time, has an off week.

In other conference action Baylor, like Texas, has won its only start in the championship race, will take on Texas A&M at Waco, also in a night game.

The Aggies will be fighting to stay in the race. They lost their opening game last week to Texas Christian 24-8 and must beat Baylor or be eliminated.

Texas licked Arkansas, the conference whipping boy, 24-0. It was Arkansas' fifth straight loss and its fourth straight conference defeat.

Southern Methodist, mortified over a 13-7 licking handed it by Rice last week, turns again to the inter-sectional wars. The Methodists, who have the next worst record to Arkansas, having won only one game in four tries, host Georgia Tech.

Arkansas also returns to the inter-sectional trail, meeting undefeated, untied Mississippi at Little Rock. Arkansas was the only team to beat Mississippi last season but chances appear pretty dim this time.

The Rice-Texas game, due to draw over 70,000 fans, is most important. Not only will it virtually eliminate one contender for the title but it will put the last undefeated, untied record in the conference on the line. Texas has won five straight games.

Baylor already is ahead of last season when it didn't win a single conference game but it needs a decision over the Aggies to really get into the championship race. The Golden Beers were impressive last week in a 26-7 triumph over Texas Tech, looking better than at any time this season.

'The Thing' Developed in Football

EASTON, Pa. (AP) — Army's football team has the lonesome end now Lafayette College, surprise leader of the Middle Atlantic Conference's university division, has the "The Thing."

"We call it 'The Thing' because we don't have a name for it," Jim McConlogue, making his debut this year as head coach at Lafayette, said today.

Pete Stevens, Temple coach, has a name to fit, but his version is slightly unreliable. Lafayette used "The Thing" on its first play Saturday and scored a touchdown. Stevens claimed the play disorganized his team, which went down to a 35-0 defeat.

It took a week's practice and some patting talent on the part of the Lafayette players to pull off "The Thing" which went like this:

Bob Howard Haddonfield, N. J., center, called the middle five yards to the left of the football instead of the usual distance straight back of the ball. Temple lined up on the ball as usual. When he broke from the middle he pretended he didn't know where the ball was.

Walter Cleveland Monaghan Pa. quarterback, sent his team direct to the line of scrimmage. He did not take any of the usual yardage and ran to the ball, yelling, "Over here fellows."

Cleveland also started yelling, shifting backwards as if he were trying to move his team toward the ball. To further confuse matters and Dan Wooten, Ohio State center, at 11, was lonesome all by himself for the play. He didn't take any of the yardage and ran to the ball, yelling, "Over here fellows."

While Cleveland was shifting backwards yelling "Over here," he also called a signal. Howard centered diagonally to halfback Charley Bates of Phillipsburg, N. J. Bates, behind four blockers, raced 41 yards unopposed for a touchdown.

Labor Would Help Warren for President

CHICAGO (AP) — Chief Justice Earl Warren would receive serious consideration from American labor if he became a candidate for president, says Walter Reuther.

Reuther, head of the United Auto Workers, said in a television interview Sunday the Democrats have a dozen excellent potential candidates for president.

Among them, he said, are Gov. C. Clement Williams of Michigan, Sen. Stuart Symington of Missouri, Sen. John Kennedy of Massachusetts, Gov. Robert Meyner of New Jersey and Gov. Averell Harriman of New York.

Reuther, termed Vice President Nixon an "extremely competent technician and politician" but said he was "sick of opportunism that bothers me as an individual."

The UAW president said there are several Republicans on whom labor might look. Among them, he said, would be Warren, who would be "a serious consideration by the American labor movement and would get it."

Labor does not favor either political party, Reuther said, but considers each individual candidate on his merits.

Critical Games Coming Up on Saturday

By ED CORRIGAN Associated Press Sports Writer

Half a dozen major conferences have important—if not critical—games this week.

Any or all of the six could produce winners that were panned in pre-season ratings.

The Big Ten, Big Eight, Southeastern, Pacific Coast, Atlantic Coast and Southwest are in such a state of confusion that the coaches have to peer at the standings to believe their eyes.

Taking them in order: Big Ten—Who would have given a plugged shilling for Northwestern's chances before the call to action? Answer: No one, including Northwestern.

The Wildcats were the sad sacks of the league last year, dropping their entire schedule. Now they have done a complete about-face and are one of the dozen or so remaining undefeated major teams in the country.

Last Saturday, they laid emphatic claim to championship consideration by walloping Michigan 55-24.

This Saturday, Northwestern will meet Iowa, another title aspirant. The winner figures to fight it out with Ohio State to the title.

Big Eight—Who ever would have any doubts of the winner of the crown? It simply always is Oklahoma. The Sooners have wound up in front for the past 11 years. But this time around, they have proved human, losing to Texas a couple of weeks back.

Furthermore, Colorado, which usually winds up as a discouraging second to the Sooners, has come up with a tough team this year—the only undefeated club in the league, in fact. The Buffs played Oklahoma Nov. 1.

This week, they play Nebraska while Oklahoma goes against Kansas State. Both, of course, are heavy favorites. The Buffs licked Iowa State 20-0, and the Sooners clubbed Kansas 43-0 Saturday.

Southeastern—Before the season, it was all Auburn. Now the Tigers have had their 17-game winning streak snapped and they are not even the favorites for the title any more.

Georgia Tech tied them Saturday 7-7.

The word now is that Louisiana State, which has won five in a row, including a 32-17 decision over Kentucky Saturday.

Pacific Coast—Oregon appeared headed toward a second title in a row until the Ducks came up with 50 at Washington State Saturday. California, relegated to an also-ran spot in September, upset Southern California 14-12 to take the lead and now has a showdown battle ahead with Oregon.

Atlantic Coast—North Carolina State, Duke, Maryland, North Carolina—the big boys. Forget 'em. Look, instead, to Clemson, sporting a 4-0 conference record and with victories over North Carolina and Maryland. The Tigers meet South Carolina in a traditional game Thursday.

Court Sets Aside \$28,000 Judgment

LITTLE ROCK (AP)—The Arkansas Supreme Court today set aside a \$28,000 judgment for Mr. and Mrs. L. L. Crawford in a highway right-of-way suit originally filed in Hot Spring County.

The court, in a unanimous opinion, said the trial judge improperly allowed the jury to consider prospective loss of net profits from the "Blue Top" restaurant and truck stop operated by the Crawfords in determining damages.

"We have directly held that the net profit of the business operated on the damaged land is not a proper factor for consideration by the jury in assessing the damages," Associate Justice Ed R. McCardin wrote for the court.

The Hot Spring County Court made an order for widening of U.S. Highway 57, which required 1.5 acres of land of Mr. and Mrs. Crawford in a Circuit Court trial. The Crawfords claimed the highway had been lowered to such an extent that the "Blue Top," about three miles north of

Calendar of Events
On Tuesday, Oct. 21, the Southwest District Home Demonstration Leadership Training Meeting will be held in Yerger High School Gym in Hope.

Registration will begin at 9 a.m. and the meeting begins at 10. All HD County Council Officers and Leaders are expected to attend. Miss E. L. Ford, Asst. HD Agent said the seven counties are expected to be represented.

Hempstead officers and leaders are to come prepared to take notes and join the discussions.

Tigers Suffer 5th Defeat by 38 to 0

The Yerger Tigers suffered another beating Saturday night at the hands of Texasarkana. The score was 38 to 0. This was the 5th straight loss for the local team.

It was the same old story for the Tigers who tried hard but fumbled away many chances. The visitors quickly rolled up a 20 to 0 first quarter score and managed to hold off scoring in the second period.

The Texans smashed for two more in the third period making it 32-0. An added six more in the final period.

Even in losing the Tigers made 11 first downs, collecting 108 yards on 10 pass completions in 14 tries. The visitors only made eight first downs and completed 3 of 9 passes for 102 yards with no interceptions.

RADIATION BELT
RADIATION-FREE ZONES AT NORTH AND SOUTH POLES

LOOHPHOLES INTO SPACE—The recently discovered band of lethal radiation around the earth may not be a barrier to space travel as first thought. Dr. Herbert York, chief physicist, scientist, says that there are radiation-free zones near the poles through which men could safely leap into space. Dr. York says that, except for these "holes," data from the Explorer IV satellite show the radiation belt apparently extends some 1,400 miles out.

Matter of Fact
MV
The letters of an alphabet are really sound signs. Those of the English alphabet are based on the Roman alphabet, which is about 2,500 years old. The capital letters are almost exactly like those used in Roman inscriptions of the third century B.C. (The small letters are somewhat like the ancient Roman cursive or "running" letters, used for rapid writing of letters and business papers.)

SKOAL!
ALBUQUERQUE, N. M. (P)—Antonio Elwell of Albuquerque told police he received his many cuts and bruises when four men pulled him out of a local bar and dragged him to the rear of the establishment, beat him up, threw him in a car, roared down a street and threw him out while the car was in motion.
"The reason," Elwell said, he refused to buy the four a drink.
